Frankie and the Fairlanes present "Good Rockin' Tonight".

The new show for 2018 that features the greatest hits of the 50's and 60's with a look into the 70's when that "new" music was shaped by early rock and roll. Along the way we will hear the stories behind the music and all the family fun and humour that is part of every Frankie and the Fairlanes show. From Elvis to Elton, from the Beach Boys to Bob Segar, it will certainly make for some "Good Rockin' Tonight".
